BERRY BLISS

Looking for a tastier source of protein than your stock-standard French vanilla whey? This WPI Strawberry & Acai by Protein Supplies Australia will give you 23.1 grams per serve. It's completely natural, and made from real freeze-dried non-GMO strawberries and organic acai berries – so you can taste the real fruit flavour. Fresh, tasty and perfect for a quick post-workout shake or smoothie on-the-go.

RRP 500g \$49.95,

HERO OF HEALTH

This Turmeric Golden Blend Powder courtesy of Kintra Foods is your ultimate cold-fighting superhero blend. It's made from turmeric, cinnamon, ginger and black pepper – natural ingredients that can aid in fighting heart disease, high cholesterol, nausea, irregular blood sugar levels and indigestion, plus protect your immune system. Sprinkle on anything from your latte to your cereal for your daily health kick.

RRP \$7.99, kintrafoods.com.au

MISSION MEXICANO

Bring a little taste of Mexico from the street to your dinner plate with Mission Foods' new Street Tacos. These mini tortillas are thicker and fluffier than your average wrap and the perfect size to make deliciously healthy homemade tapas. We say *si*.
